CHAIRMAN Chewing the Cud

Sitting in the office listening to Robert on his tractor baling the silage on the Green makes me feel that summer is with us at last.

The work to replace the water mains to Hall Close does seem to have come to an end, though I know a few residents have received letters telling them of some further disruptions while they pressure-test the new pipe. We are also going to have an overnight disruption to our water supply shortly; no reason has been given.

Now the seventh month of the year and for many of us it is holiday time, with the schools and colleges closing for their summer breaks. It also heralds North Aston's main event of the year, apart from the Flower & Produce Show in September, of course! The annual Fête on the 21st July is promising to be an interesting event this year. Many of you will already know that Martin Clunes (Doc Martin) has kindly agreed to open the Fête for us. He can only stay a short time as he has other commitments. His presence should see visitor numbers increase and, importantly, help to raise more funds for the village and church. Thanks to Kevin Cash for arranging this for us.

Don't forget the Fête meeting in the bakery on the 5th July. We need all the help we can get this year so please come along and volunteer your services. Marcus will be saying more about the Fête later in the Newsletter, so enough from me.

You will also find attached to the Newsletter the schedule for this year's Flower & Produce Show. It has been decided to carry on with the public vote which was so popular last year. Please note that the entries for the Sunflower and Potato in a Pot are free. Because of the complexity of the voting system we will not be able to accept entries on the morning of the Show this year, so please make sure you submit your entries in good time.

Short and brief this month. Have a good July and see you all at the Fête!

Chris

IMPORTANT NOTE: The Village Meeting, originally pencilled in for July 26th, has had to be postponed due to clashing dates. The next Meeting will now be on Thursday 30th August.

The lucky winners of the June Draw were:
First Prize (£10): Natasha Hinks (#9)
Second Prize (£5): Jeremy Taylor (#125)

100 Club

If you think that's lucky, then perhaps you should be taking part! If you're not currently a member and would like to join the North Aston 100 Club, now's the time to do it. Please call Norman on 340368 to reserve your number.

You've got to be in it to win it!

Steeple Aston Choral Society

As editor of the North Aston News, I am hoping you may be able to include a mention for a new venture we are undertaking at Steeple Aston Choral Society (SACS).

In September will be joined by Heather Cleobury for a series of six rehearsals which will be devoted to technique and interpretation; things which we have wanted to study for some time. As a professional singer, Heather will no doubt bring new and fresh insights into how we perform and we are looking forward very much to working with her.

During these rehearsals Heather will also lead us through music that we shall be singing at a Seasonal Festival under the inspirational baton of Nicholas Cleobury. Those of us who sang under his direction on Easter Sunday this year know how special this will be.

We know that we shall drawn an enormous amount of inspiration and knowledge from both these events, and we would like to open them up to 'all comers', not only those who may already be members of choirs, but also people who have never sung in a choir at all.

These are inclusive events for beginners and experienced singers alike. We are also going to introduce music theory "help" sessions as part of our rehearsals, for those who either do not read music or find it difficult.

We would love to welcome singers from North Aston, and invite anyone who would like to take part to contact me.

With thanks, Martin Dale

Please see Martin's advert later in the News.

Raising Money for Charity

I'd just to say thanks to all those who made it down the hill in the rain to visit the Mill gardens on Tuesday June 5th. I raised £250 for Leukaemia and Lymphoma Research, the official charity for this year's Blenheim Triathlon, which I then took part in on Saturday 9th June.

Many thanks, Jane Beaufoy

Golden Celebrations

Beryl and David would like to thank all those who joined with them to make their celebratory weekend such a wonderful occasion and very many thanks for the generous donations to St. Mary's Window Restoration Fund, which have exceeded £900.00.

Many thanks, Beryl and David Greenwood

This is your last chance to sign up to this year's 100 Club. After July we cannot accept new members, so if you haven't yet renewed an existing membership, please return your fee to Norman West in the envelope he provided in April. Don't worry if you've lost it - just call Norman on 340368 . Likewise, if you do not wish to continue, please let him now.

That said, we really do need some new members if the 100 Club is to be a complete success. Anyone who hasn't taken part before, but would like to join, should contact Norman. You can also enrol a relative or friend as a member.

Annual membership is just £5, with the chance to win any one (or more!) of the following prizes:

12x £5 prizes ~ 8x £10 prizes
3x £25 prizes ~ 1x £100 prize

Call Norman on 340368

Returning to Core Values

Every year we destock the plant centre for the summer, and we do still have some end of lines available in our current "Sale". However, from September this year we will be running a slightly modified range and we will no longer be stocking shrubs, herbaceous, climbers and roses. This will allow us to concentrate on our core lines of Trees, Hedges and Screening.

This will mean that Nicholsons will not be quite so involved in retail, but we will be a lot more focused.

We are planning to host a Garden Party at the nursery in September, and we will be delighted to show everybody the new-look range and layout then.

Thanks, Niel Nicholson

See the announcement elsewhere in this month's News.

Parking on the Pavement

We have been asked to repeat the regular appeal for residents not to park across the pavements through the village. There have been several instances recently of cars parked right across the footpath, blocking the way for children heading to or from the school bus stop and for gardeners trudging between their homes and the allotments. If you have visitors, please ask them not to obstruct the path. Parking on the pavement is now illegal, and owners of cars scraped by unwieldy wheelbarrows have only themselves to blame!

Please keep the Pavements Clear

North Aston Gardening Club

Minutes of the North Aston Gardening Club
21st June 2012

Present: Chris Tuffrey, Bill Graham, Norman West, Franca Potts, Lynn Quek. Apologies: Eileen Gilmore, Marcus Potts

A reduced number of members met at Nether Cottage for the June meeting. The date had to be shifted due to a clash with the Extraordinary Village Meeting and Village Fête Meeting on the 20th. Apologies to members who were either unaware of, or were unable to attend due to the late change in date.

In order to ensure better communication, we would like to compile list of members with contact details. All those in the village who are members, and anyone who would like to join, please send your details to Lynn (07816 877212 or lsquek@doctors.org.uk) or drop her a note at Nether Cottage. We welcome new members and wish to propagate diversity in the topics discussed at meetings.

Franca has prepared our club accounts, and we have a modest but healthy balance, aided by taking £30 at our annual early-summer plant swap, so thank you to all those who took part.

Discussions moved on to the horticultural event of the year (in NA at least): the Second Annual Flower & Produce Show. Following the success of last year's show, we are keen to invite anyone and everyone in the village to take part, with entry categories from plants to preserves and arts and crafts, with special categories for children. We have made some minor revisions to the categories and introduced some new ones, including the sunflower and potato growing competitions.

An entry form with categories and rules will be enclosed in next month's *News*, but a list of categories is published here, so get growing/baking/preserving/creating!

A unique feature of the show is that the great NA public gets to judge most of the competition categories. This format was very hard work for the team collating the results last year, and in order to streamline the process we propose to introduce a strict finishing time for judging and for score sheets to be returned for totting up. Hopefully this will enable us to have a timely announcement of the results. We will have two large marquees to hand so there will more space for displays and judging.

For the upcoming Village Fête, we would again like to have a Produce Stall. This has proved popular in previous years. This year, club members agree that we should encourage donations of cut flowers or plants as well as fruit and veg, all of which will be available for sale to the public.

Our next meeting will be on Wednesday the 25th of July at Nether Cottage.

A huge THANK YOU to everyone who came to the packed Jubilee Reception and Anne Monument re-opening in the church and especially to all those who helped to make it a really enjoyable occasion. It's worth popping in to see the restored monument. There are also two books about it on sale – see below.

Father Mark will Talk on the Green

'Home Is Where the Heart Is: Sustainable Lives in a Sustained World'.

Saturday July 28th 11:00 am is a definite date for your diary. Many of us know Mark and like him very much, but still after a year we're discovering new things about him and his knowledge and range of interests. So it will be fascinating to listen to him on this subject - very dear to his heart. Drawing on his academic research into both delight and consumerism, Mark will present in this one-hour lecture a vision of 'sustainable living' that is grounded in place and community, and what more North Aston-ish subject can there be? It will be in a marquee on the Green.

NICHOLSONS

The Tree, Hedging & Screening Specialists

Nicholsons has been one of the leading suppliers of trees and hedging to the horticultural industry for many years.

Now that we are growing more hedging ourselves and performing some significant contract growing for another leading hedging company, we feel it is time to concentrate more on our core products - Trees, Hedging and Screening. We will therefore be rationalising our product range.

We will continue to supply gardeners, professionals and the trade with hedging, trees and screening plants, but will not be able to offer the whole range of garden plants in the future.

So ***no Herbaceous*** and ***no Roses***, ***no Small Shrubs*** and ***no Climbers*** – just some larger specimens and frames.

We will stock plants that are grown in pots of 8 litre and upward!

We will continue to offer excellent advice, delivery and the Supply and Plant Service that is proving so popular. We will also continue to offer the Garden Consultancy Service that we launched earlier this year and which has been received so well.

This summer we are therefore planning to redevelop our sales area in order to showcase our plants better and will be launching our new Tree & Hedging Centre in September. We hope that you will be able to join us for our Garden Party on Friday 14th September.

The Park, North Aston. Telephone: 01869 340342
Email: office@nicholsons.gb.com

In the future Nicholsons will stock the following:

- Trees
  - Bare root
  - Fruit Trees
  - Ornamental Trees
  - Mid-Range Trees
  - Specimen Trees
- Hedging
  - Bare root
  - Instant Hedges
  - Container Grown
- Topiary
